

Kia ora HPS whānau,
 Just a reminder that our school has Public Health Nurses (PHN) that visit the school. They are involved in Health promotion and can help with any health concerns that impact on your child. Please feel free to call/text them or talk to one of the school staff members for more information.

Some examples are wetting, skin concerns, allergy or asthma, hearing and vision issues, diet, being a link to other services and much more.

that will reflect our updated kura/school name. At our last hui/meeting the Board decided to proceed with this project immediately. The Board has also received supplementary funding (\$249 000) to ensure the upgrade of our fire and security systems. This will ensure that we have a safe learning and working environment.

If you have any questions or concerns please contact me so we can work together to help tamariki to...
