

Kia ora HPS whānau,
 Just a reminder that our school has Public Health Nurses (PHN) that visit the school. They are involved in Health promotion and can help with any health concerns that impact on your child. Please feel free to call/text them or talk to one of the school staff members for more information. Some examples are wetting, skin concerns, allergy or asthma, hearing and vision issues, diet, being a link to other services and much more.

Our Public Health Nurse is

Nga mihi nui kia koutou katoa/Greetings to you all!

Have you seen our new external signage? The image in the background shows the Wai Horotiu and Opanuku awa/streams coming together to form a bowl of water or kōpua. This happens by Westwave when there is lots of rain. It is the name Te Kawerau ā Maki uses to refer to the whenua/land and has been gifted to us to use for our kura/school.

On Friday 26 June we will be having a school disco in our gym. This event is run by parents of our school for our tamariki/ children. **Tamariki must be accompanied by an adult caregiver (18+ years old)** and will remain in the gym. A flyer with more details will be out next week.

We have changed to the @school app. This is our 'one stop shop' for all communication to/from school. If you need help setting this up please contact the office. If you have any questions or concerns please contact me so we can work together to help tamariki to...

Face the future with confidence.
