

Kia ora HPS whānau,
 Just a reminder that our school has Public Health Nurses (PHN) that visit the school. They are involved in Health promotion and can help with any health concerns that impact on your child. Please feel free to call/text them or talk to one of the school staff members for more information. Some examples are wetting, skin concerns, allergy or asthma, hearing and vision issues, diet, being a link to other services and much more.

Our Public Health Nurse is
Loise
 021 473 060
loise.vea@tewhatauora.govt.nz

5 June 2026

Nga mihi nui kia koutou katoa/Greetings to you all!

We have changed to the @school app. This is our 'one stop shop' for all communication to/from school. If you need help setting this up please contact the office.

You may have noticed the scaffold by our gym. It is now down and our school name has been

updated. Over the next few weeks our other external signage will be completed.

If you have any questions or concerns please contact me so we can work together to help tamariki to...

Face the future with confidence.

Kia matakite! Kia māia!

Tony

A thought... "We shouldn't teach great books; we should teach a love of reading." B. F. Skinner

Room 13 has been learning about native insects of Aotearoa. After reading about lots of insects, students chose one to focus on. They began by tracing their chosen insect and then filling the outline with Zentangle patterns. Students used wet-on-wet technique to dye their backgrounds. Next, students found items from their insect's habitat and used these to print gold texture over the background. Students wrote or printed a poem about their chosen insect and finally put everything together!

Dann is very proud of the treasure box he made at woodwork.

2026 SCHOOL DATES

Tuesday 16 June
Board hui at 6pm

Friday 19 June
Lockdown Drill

Thursday 25 June
Interschool Basketball
(Y5/6)

Friday 26 June
