

Kia ora HPS whānau,
Just a reminder that our school has Public Health Nurses (PHN) that visit the school. They are involved in Health promotion and can help with any health concerns that impact on your child. Please feel free to call/text them or talk to one of the school staff members for more information. Some examples are wetting, skin concerns, allergy or asthma, hearing and vision issues, diet, being a link to other services and much more.

Our Public Health Nurse is

HENDERSON PRIMARY SCHOOL

11 September 2026

Nga mihi nui kia koutou katoa/Greetings to you all!

Today we held our school cross-country run, check out the photos!

Our annual school photos are being taken on Monday 14 September from 8:50am.

In week 10 (21-24 September) we will be celebrating the many cultures we have at our kura. On Thursday 24 September we will be having an 'open day' where all whānau can come and join us for a celebration of our many cultures. The school will be open from 11am to 1:40pm. This would be a great time for grandparents, aunts and uncles to visit tamariki at school so book this date in your calendars.

At the end of this term we will be making tamariki/children reports live. You can view them on the @School App.

If you are wanting to pick tamariki up after school please use the Kmart carpark or park in the Great North Road Baptist Church carparks, with the white lines. Montel Ave has very limited parking, yellow lines (no parking) and is not safe.

If you have any questions or concerns please contact me so we can work together to help tamariki to...

Face the future with confidence.

Kia matakite! Kia māia!

Tony

This term we have been practicing our long distance running so we can run our school cross-country!

Tamariki attendance % are available on the @school app!

Did you know... Attendance is the first barrier to learning at school. You can help your tamaiti/child by making sure they are at school each day by 8:50am! We aim for all tamariki/children to have 95% attendance. Do you know your tamaiti attendance %? You can find out by looking at the @school app.
