Kia ora HPS whānau,
Just a reminder that our school has Public Health Nurses (PHN) that visit the school. They are involved in Health promotion and can help with any health concerns that impact on your child. Please feel free to call/text them or talk to one of the school staff members for more information. Some examples are wetting, skin concerns, allergy or asthma, hearing and vision issues, diet, being a link to other services and much more.

This term is the last for the year, remember that we wear hats in Term 4 to keep us safe in the sun.

If you have any questions or concerns please contact me so we can work together to help tamariki to...
